

ATFC

NORTH AMERICA

About Us

ATFC was established, in the heart of Dolomiti mountains, as a **consulting** firm in 2012 networking within more than 400 Dental Clinics in Italy.

ATFC Distribution, born as ATFC consulting distribution branch, is now known for delivering to their customers great quality materials, which is a result of partnering with respectable and certified companies.

To date, ATFC Distribution has satisfied over 3000 business customers in **Italy** and the opening of distribution cooperations in 9 countries in **Europe** and is now expanding into the **North American** market.

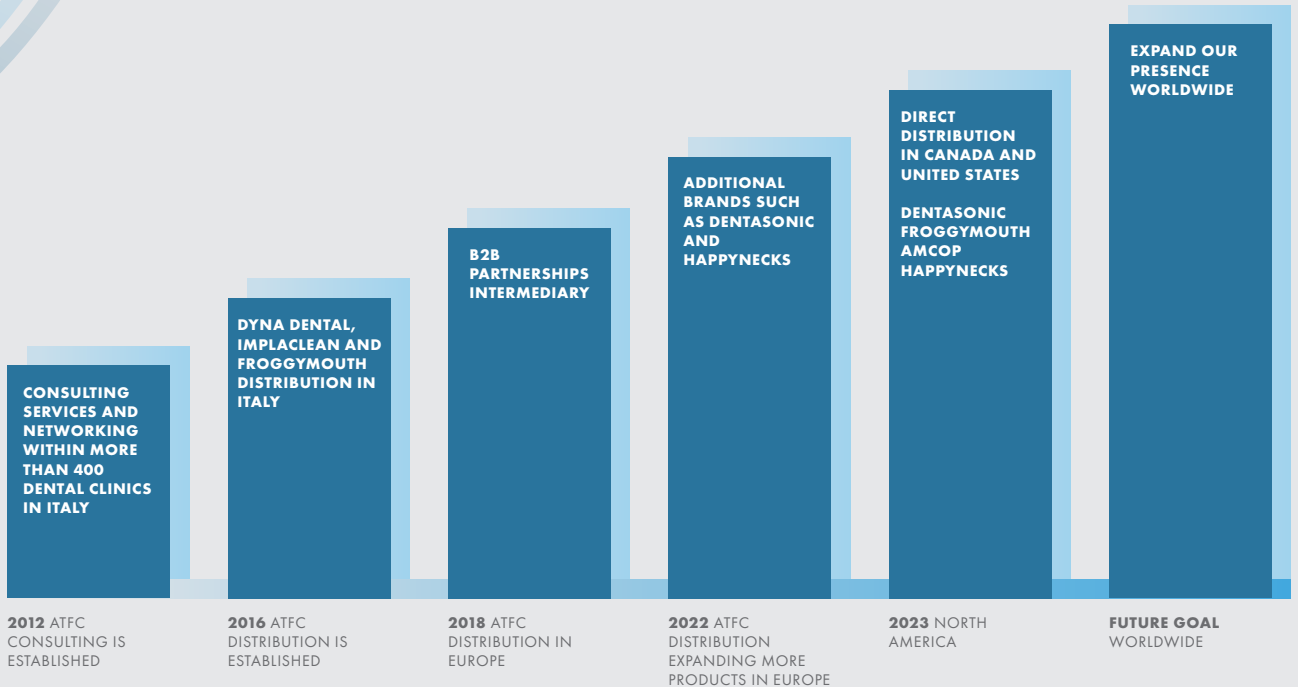

Our Mission

Deliver specific **training** on the use of innovative and minimally invasive **new technologies** in the **dental sector**, allowing clinicians to provide their patients with incredible **care** and **protection**.
